STATE OF THE MARKET

Leading Hamptons broker **Dana Trotter**
recaps luxury real estate sales activity
on the East End.

In the Hamptons real estate market (east of the Shinnecock Canal) in Q2, total units sold dipped 13% and total dollar volume fell 26%; but I am happy to report a productive quarter with 6 closed deals.

I sold a 2.7 acre estate in Sagaponack south for \$11.965M (A), an award-winning modern in Southampton for \$4.7M (B), a designer-owned estate in North Haven for \$5.363M (C), a charming Bridgehampton south home for \$3.45M (D), a Sag Harbor Village pied-a-terre for \$1.55M (E), and a Bridgehampton cottage for \$1.35M.

There are talks of a “soft market” due to the coming election and other market forces but the Hamptons remains active with opportunities to buy and sell if the property is priced correctly. In fact, much of the perceived “slowdown” occurred in the \$10M+ segment which had an active Q1 with \$258,181,053 in dollar volume but dropped to \$47,693,579 in Q2. The largest sale of Q2 was 77 Ox Pasture Road for \$24M, a historic estate on 1.84 acres in Southampton Village.

Overall, the \$1-3M price range accounted for 37% of the dollar volume (\$282,991,592). With an average price of \$1,402,350, greater Sag Harbor (not including the Village or North Haven) posted year-over-year gains in both total units sold (38) and dollar volume (53,285,500), up 58% and 80% respectively.

As for my other activity, I have two new listings- a beautiful Bridgehampton south home with storybook gardens for \$6.3M (cover) and a midcentury estate in the Georgica Pond enclave for \$9.95M (G).

Work and family keep me plenty busy but I still find time to ride my horse and am very excited to compete in the Hampton Classic. For avid equestrians, I have two great horse properties in East Hampton- a 23-acre compound for \$39M (F) and the barn where I learned to ride for \$6.995M (back cover).
